Dear Sir:

**COMMENTS ON THE STATEMENT OF REASONS FOR ALLOWANCE**

As noted in MPEP 1302.14:

The statement [of reasons for allowance] is not intended to necessarily state all the reasons for allowance or all the details why claims are allowed and should not be written to specifically or impliedly state that all the reasons for allowance are set forth.

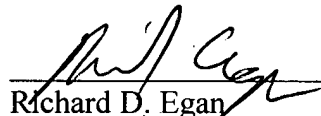

It is respectfully noted that the stated Reasons For Allowance are applicable to the first independent claim and other but not all independent claims as the claims limitations of each independent claim are not the same. It is respectfully noted that each claim has been allowed and

is patentable for the particular claim limitations found therein. By this statement the Applicants explicitly do not acquiesce to limiting all claims to the reasons provided in the Reasons For Allowance.

If the Office disagrees with these comments, the Office is requested to respond.

Should any fees under 37 CFR 1.16-1.21 be required for any reason relating to the enclosed materials, the Commissioner is authorized to deduct such fees from Deposit Account No. 10-1205. The examiner is invited to contact the undersigned at the phone number indicated below with any questions or comments, or to otherwise facilitate expeditious and compact prosecution of the application.

Respectfully submitted,
